

## Hang Lung Group and Hang Lung Properties (Hang Lung) Mourn the Passing of Mr. Tung Chee-hwa

*A statement from Mr. Adriel Chan, Chair of Hang Lung*

We are deeply saddened by the passing of Mr. Tung Chee-hwa, former Vice Chairman of the National Committee of the Chinese People's Political Consultative Conference (CPPCC) and the first Chief Executive of the Hong Kong Special Administrative Region. On behalf of Hang Lung, we extend our heartfelt condolences to Mr. Tung's family and loved ones during this time of mourning.

Mr. Tung's lifelong dedication to public service, devotion to Hong Kong, and commitment to improving Sino-US relations have left an enduring mark on our country, our city, and our people. He led Hong Kong through some of its most difficult moments with resilience, humility, and a deep sense of responsibility.

During the 2003 SARS outbreak, when the Amoy Gardens community was profoundly affected, his decisive response and genuine care for residents brought reassurance and hope at a time of great uncertainty. Hong Kong recovered quickly from this crisis under his leadership.

Mr. Tung's legacy is one of quiet strength and unwavering commitment to our city. He will be remembered as a leader who placed the well-being of the people above all else.

We join the wider community in mourning this loss and honoring his lifetime of public service.
