Hang Lung Group Limited (stock code: 00010) is one of the most established listed companies in Hong Kong with more than 50 years of experience in the property development market. Through Hang Lung Properties Limited (stock code: 00101), we have built a leading reputation as a top-tier property developer in Hong Kong and on the Mainland, with a recognized commitment to quality.

Hang Lung Group's businesses in Hong Kong include property development for sale and lease. Our substantial portfolio encompasses well-planned large-scale commercial, office and residential developments in prominent locations.

We made our first investment on the Mainland in the early 1990s as the foremost step in our future business expansion. Adhering to the strategy of developing prime sites in major cities, our portfolio of investment properties currently comprises two large-scale developments in Shanghai – the commercial, office and residential complex Grand Gateway 66, and the commercial and office complex Plaza 66. Together with our prime landmark complexes of Parc 66 in Jinan, Riverside 66 in Tianjin, as well as Palace 66 and Forum 66 in Shenyang, we are vigorously building on our successes to develop similar properties in major cities including Wuxi, Dalian, Kunming and Wuhan.

We will continue not only to expand our horizons on the Mainland, but also to invest in our portfolio in Hong Kong, as we aim to become the most admired and leading national commercial property developer of the highest quality in the market.
